LEADER IN ME SCHOOL

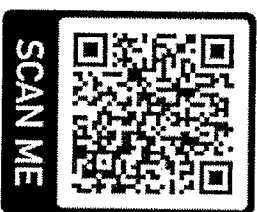

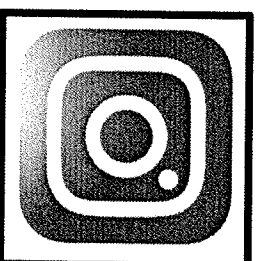

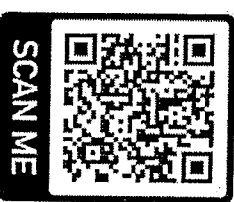

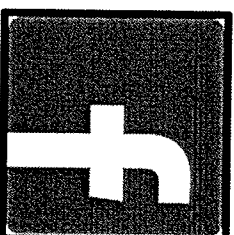

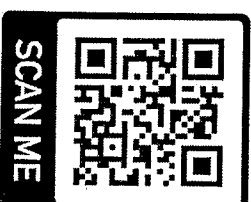

What we learn/do:

- Maintain & Improve Living the 7 Habits
- Family engagement activities
- Monthly leadership books
- Opportunities for student leadership
- Leadership Notebooks- improve the process of goal tracking
- Student led SEP conferences
- Students greeted every morning at the door by their teacher
- Leadership class
- Leadership/7 Habits integrated into daily classroom lessons
- School WIGS will focus on a year's growth in reading and mastery of essential standards

Stay Informed and Connected with us!

Park Web Page

Reminder: Mrs. Hughes Sends a monthly update on "What's Happening At Park - WHAP" Check your emails!

How Does a Title I School Differ From Other Schools?

- Additional Funding for technicians to support students in math interventions and extensions
- Trained technicians who support students in a pull-out reading program
- Additional funding for technology- all students have access to their own device
- Additional Funding for teacher professional development
- All of our paraprofessionals are highly qualified (Associate's Degree or higher or have passed a rigorous Paraprofessional Exam)

Celebrations

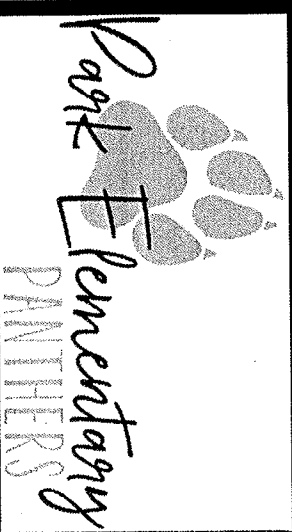

Our dedicated teachers are **MASTERS** at math standards, instructional strategies, and tracking student success!

Our Middle of Year data for 2021-2022 reflects some of the highest reading growth in the district!

We are committed to scaffolding students in the classroom until they can master the work independently.

All students will master the Essential Standards in math with 80% or higher proficiency!

It would be hard to find a more dedicated group of faculty and staff than our Park Elementary employees!

School Mission Statement

To Live, To Learn, To Lead!

2021-2022 Theme

IMPACT to Lead!
