

WHAT'S HAPPENING AT PARK

MAY WHAP

PRINCIPAL MESSAGE

Hello Parents-

I cannot believe we are in our final month of school. As we have been doing our end of the year testing, we have been so pleased with the results. Everyone has worked so hard and the test scores are showing it. I am so proud of each of these students. I am also so grateful to have the best faculty and staff at Park. It really is the best place to be.

Even though we are finishing our year, we are also getting ready for next school year. Please let me know if you have any special circumstances regarding placement for your child for the 2023-2024 school year. The information you provide is one of several factors that will be considered when creating classes-- Classes are balanced academically, behaviorally, and socially to ensure all students have an optimal learning environment. Creating classes is a great responsibility that I spend much time on and take very seriously. The deadline to have this form turned in is Friday, May 12th at 3:00 pm.

Please be specific with your concern. I will do my best to place your child in the healthiest learning environment for them.

As always, please let me know if I can help in any way.

Have a WONDERFUL month!

Happy May,

Mrs. Lindley

COUNSELOR CORNER

It has been an amazing school year teaching and learning from our Park students. I love my job so much because I get to interact with your kids every day. They bring me so much joy and regularly fill my bucket with their comments, connections and compliments. As a re-cap, we focused our Well-Being lessons on the 5 emotional intelligences skills of **RULER**:

Recognize the emotions we are feeling

Understanding where those emotions are coming from and what other past situations or experiences

may affect how we are feeling now

Label our emotions so we can communicate what we are feeling effectively to those around us

Express our emotions in a socially appropriate and culturally accepted manner

Regulate our emotions so they don't negatively impact our thoughts, behaviors and relationships.

Have a fun and safe summer.
