- **Penny Race and Teacher Appreciation Week are both in the same week, some parents are feeling this is too much at the same time. Is this too much to ask for parents all at once? Should we change dates or create a different fundraiser?**
- **Look into book fair, what percentage of the earnings does the school receive?**
- **Halloween Carnival for a fundraiser?**

- **Could we replace Penny Race with the Halloween Carnival and still use some of the money for scholarships**
- **Advertise for parent volunteers throughout the year rather than just at the open house at the beginning of the year. This might help bring more parents in to help.**

#### **6. Questions/Concerns**

- **Follow up on questions about grading, report cards and Mastery Connect. District requires grades 3-5 to use Infinite Campus for report cards. Mastery Connect can still be used but should be more for teacher information, not reporting to parents.**
