

Park Elementary School Community Council Minutes

February 25, 2022

1. Sydney motioned to accept minutes, Miranda seconded it. The vote was unanimous.
2. Health and Wellness (Bruce Elliott)
 - Describe ways to improve student wellness in our school. (Bruce, P.E. class, healthy lunch, school nurse, recess, counselor lessons (in the classroom and monthly lessons with grade level, and individual student), mindfulness room, counselor note on the WHAP, emotional and social lessons from skills technician. Prevention Dimension Lessons, Leader In Me, Food Truck. and Bonneville Uni-services, shoes from Central Bank
 - Employee wellness - our insurance has several requirements for health, available for all teachers and technicians, monthly health challenges amongst teachers. Staff monthly calendars that provide fun activities, victory assemblies highlight teachers that are successful in the classroom
 - Describe areas in the school that may need improvement for teachers and students? Teachers are seeing the fruits of their labors and feeling good about that. For students, we can look into more structure for students at recess, more games, repaint some of the games on the playground, etc.! Indoor activities for teachers in their classrooms.
 - How often are parents offering healthy rewards in their classroom? Most treats are still sugar based.
 - How well are teachers following this request to offer healthy rewards in their classroom? We still offer some snacks, but less than in years before?
 - Recommendation: Have money for servers/snacks instead of writing the grant.
3. Title I Celebrations - reviewed email sent by Alicia Rudd
4. SIP
 - Literacy Goals: Make steady gains by 1% - keep the same
 - Still need to have sub time because we use it for PD
 - Still want adults in the building for reteach and extend
 - We don't need new in technology - we may keep some funding for repairs (take out)
 - We don't do a lot of outside conferences
 - i-Ready paid for
 - Teachers want Newsela, Time for Kids, Science based programs
 - NetSmarts
 - When technology needs repaired, then we get funding to replace/repair
 - Literacy Collaboration (2 times we do a 2 hour collaboration)
 - Professional Books - keep on
5. Math
 - Technicians
 - Subs (teacher teams and to attend any professional development)
 - Technology

- Any intervention programs - iReady already paid for from a different source
- Purchase of Reflex
- Materials
- Supporting professional development, cross grade level observation
- Change teachers will analyze to teachers will analyze data in a collaboration day
- Staff development provided by administration and Title I Coordinator

Lindsey will send the updates on the plan digitally - respond if you have questions or feedback

Parent/Family involvement night and Read-A-Thon discussed
