**Attendance:** Penny McEntire, Jessica Lindley, Paul Webb, Courtney Sterner, Sydney Carlson, Matt Swenson, Jodi Mattinson, Jandel Christensen, Miranda Thomsen.

**Motion to approve the minutes from last meeting:**

Sydney Carlson

Voting:

All approve

**Jessica Lindley** Our new principal. We are so very lucky to have her here at Park. She has a background in special education and brings a wonderful vision to our community. She has 3 children and has been in Nebo for quite some time. She is so excited to get to know us better and work together with us to make Park an even better place.

**Current School Plan:**

It is now called our School Improvement Plan. We look through this with our team leads to discuss if we are on track, and what professional development we need to improve specific areas.

There are strategies and milestones that help us to know where we are going.

Please look through our School Improvement Plan and come forward with any questions or concerns that you may have.

We do not use our team lead meetings or faculty meetings to plan anything. We only use those meetings to improve instruction; which is highly unique. Team leads also come forward with ideas they have regarding professional development that they feel is needed, and those areas are discussed and then investigated and finally carried out.

Mastery Connect: is a new program that we are planning on using. Next year we will try our best to use it daily. There will be professional development provided on this new app. We are so excited to see how this will help us to see our growth and development, as well as areas we need to improve on.

We are maintaining our focus on math and adding a special focus on language arts.

We want to make sure that students have the skills to read and to decode information, rather than just recognizing or memorizing the words on the page.

**Parent/ Family Involvement:** Celebration for Leader in Me. We do not want to use instruction time to do this. In 2 weeks we will meet to go over what we want that to look like and how we are going to plan that.

**Goals for upcoming year:** Instructionally - goal is to keep our momentum. We want to maintain learning and intervention programs.

**Motion to Adjourn:**

Jodi Mattinson

**Second:**

Miranda Thomsen

**Approve:**
