2. Training

- Our purpose is to work together to make good schools better.
- PowerPoint available online.

3. Title I Plan

- We have extremely high qualified staff that are creating strong leaders and that work collaboratively.
- We look to hire the best because we have a lot to give to them
- We are working on family empowerment (build a bridge between school and home)
- We have focuses on math and reading
- OEK Kindergarten – Used to help kids catch up and get on grade level from an early age
- Assessments are used daily and in various methods to know where students' comprehension is at and where to go moving forward
- Title I plan focuses on: comprehensive needs assessment, schoolwide reform strategies, highly qualified staff, professional development, recruitment and retention of highly qualified teachers, parent and family

empowerment, transition from early childhood programs to local elementary school programs, decisions regarding the use of assessments, students who experience difficulty mastering academic achievement standards, and coordination of budgets (federal, state, local funds)

4. Family Involvement

- SLC – sign-up sheets for each teacher
- Teachers could ask parents to be a lighthouse helper (?)
- School carnival – possible this year? (Must be outside)
- Drive through activity for parents to work with students and teachers
- Teachers can come forward after SLC's with two names of parents that are willing and able to work with the school and empower the families.

5. Gift Card Scam Information

- If you get an email from SCC members or school members that ask for money or giftcards DO NOT send anything.
- Emails are usually a variation of our real school emails. PAY ATTENTION. Please do not send anything – if you have any questions please call the school.

Motion to adjourn: Paul Webb, Sydney Carlson, second: Kimberly Boogert, All in attendance agreed.
